

# **Pass Thru - Wall Mount CAP18W - Options Spec Sheet**

## **Option: Shelf, Adjustable**

(CAP18W-SST-24Wx24Hx24D Shown Above)

**A = Adjustability:**  
1/2" Increments ( $H < 36"$ )  
1" Increments ( $H \geq 36"$ )

**T = Shelf Thickness:**  
(Varies with size - 3/4" min)

\* Perforated shelves  
available for HEPA  
filtered and exhausting units

### **Shelf, Adjustable :**

Adjustable shelves can be added to all pass thru to maximize internal compartment space. Customers may request multiple shelves in each pass thru to fit their specific application. Shelf thickness "T" will vary depending on size and application.

Shelves on all stainless steel units are type 304 #4 finish stainless steel.

A pass thru with an upgraded finish such as cold-rolled painted units or upgraded stainless steel such as type 316, can have shelves of the same material or finish upgrade.

All components and hardware are stainless steel.
